CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

Some discussions in this Annual Report on Form 10-K contain forward-looking statements that have been made pursuant to the provisions of the Private Securities Litigation Reform Act of 1995. These statements involve risks and uncertainties and relate to future events or future financial performance. A number of important factors could cause our actual results to differ materially from those expressed in any forward-looking statements made by us in this Form 10-K. Forward-looking statements are often identified by words such as “believe,” “expect,” “estimate,” “anticipate,” “intend,” “project,” “plans,” “seek” and similar expressions or words which, by their nature, refer to future events. In some cases, you can also identify forward-looking statements by terminology such as “may,” “will,” “should,” “plans,” “predicts,” “potential” or “continue” or the negative of these terms or other comparable terminology.

These forward-looking statements are only predictions and involve known and unknown risks, uncertainties and other factors, including the risks in the section entitled “Risk Factors” below that may cause our or our industry’s actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements. In addition, you are directed to factors discussed in the “Management’s Discussion and Analysis of Financial Condition and Results of Operations” section as well as those discussed elsewhere in this Form 10-K.

Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity or achievements. Except as required by applicable law, including the securities laws of the United States, we do not intend to update any of the forward-looking statements to conform these statements to actual results. However, readers should carefully review the risk factors set forth in other reports or documents the Company files from time to time with the Securities and Exchange Commission (the “SEC”), particularly the Company’s Quarterly Reports on Form 10-Q and any Current Reports on Form 8-K. All written and oral forward-looking statements made subsequent to the date of this report and attributable to us or persons acting on our behalf are expressly qualified in their entirety by this section.

As used in this Annual Report on Form 10-K, “we,” “us,” and “our” refer to Eastern World Solutions, Inc., which is also sometimes referred to as the “Company,” unless the context otherwise requires. In addition, references to “dollars” and “\$” are to United States dollars.

ITEM 1: BUSINESS

Eastern World Solutions, Inc. is a development stage company and was organized to engage in creating, marketing and selling of proprietary engagement marketing technologies and or acquiring complementary technologies and or other companies focused on the development and marketing of such technologies.

The Company was incorporated in Nevada on December 18, 2009 under the name Encom Group, Inc. The founding management group and Board of Directors planned to develop a website (www.skiwear4you.com) that would offer skiwear at retail prices to customers ordering online.

By February of 2012, other than reserving the domain name, founding management had not commenced development of a website nor advanced the business plan past the conceptual stage. After further consideration, the founding Board of Directors, management group, and shareholders determined that its business plan was not feasible and decided to suspend operations. Consequently, the Board of Directors decided to seek out a purchaser for the business.

On March 27, 2012, majority ownership of the Company was sold to another group and on April 16, 2012 a merger with a private company was announced. Actual control of the private company was never consummated and on June 19, 2012, another change of control occurred and the new officers and directors of the Company resigned and were replaced by different officers and directors. The new officers are in the process of developing a business plan to further the value of the Company. Such a plan includes the seeking out and acquiring a business that would affectively combine with the Company and provide the revenue necessary to continue operations.

On November 15, 2012 the Company filed an article of change with the State of Nevada changing its name to Eastern World Solutions, Inc.

The Company is a development stage company and currently has no employees.

Offices

The principal executive office is located at 3330 South Federal Highway, Suite 220, Boynton Beach, Florida, 77429. The office space is currently adequate for our needs. If we grow and more space is required, we intend to move our operations or rent additional space to supplement our existing facility.

ITEM 1A: RISK FACTORS

We are a smaller reporting company as defined by Rule 12b-2 of the Exchange Act and are not required to provide the information under this item.

ITEM 1B: UNRESOLVED STAFF COMMENTS

None

ITEM 2: PROPERTY

None

ITEM 3: LEGAL PROCEEDINGS

We are not presently a party to any litigation.

ITEM 4: MINE SAFETY INFORMATION

None

ITEM 5: MARKET FOR THE COMMON EQUITY AND RELATED STOCKHOLDER MATTERS

Our stock is listed for trading on the Bulletin Board operated the Financial Industry Regulatory Authority (FINRA) on OTCBB under the symbol "ESRN." There are no outstanding options or warrants to purchase, or securities convertible into, our common stock.

Holders

There are 13 holders of record for our common stock. There are a total of 10,000,000 shares of restricted common stock outstanding of which 4,303,125 are issued to Jared Robinson, chief executive officer and director and 4,303,125 issued to Neil Kleinman the secretary and director of the Company.

Dividends

We have not declared any cash dividends, nor do we intend to do so. We are not subject to any legal restrictions respecting the payment of dividends, except that they may not be paid to render us insolvent. Dividend policy will be based on our cash resources and needs and it is anticipated that all available cash will be needed for our operations in the foreseeable future.

Section 15(g) of the Securities Exchange Act of 1934

Our shares are covered by section 15(g) of the Securities Exchange Act of 1934, as amended that imposes additional sales practice requirements on broker/dealers who sell such securities to persons other than established customers and accredited investors (generally institutions with assets in excess of \$5,000,000 or individuals with net worth in excess of \$1,000,000 or annual income exceeding \$200,000 or \$300,000 jointly with their spouses). For transactions covered by the Rule, the broker/dealer must make a special suitability determination for the purchase and have received the purchaser's written agreement to the transaction prior to the sale. Consequently, the Rule may affect the ability of broker/dealers to sell our securities and also may affect your ability to sell your shares in the secondary market.

Section 15(g) also imposes additional sales practice requirements on broker/dealers who sell penny securities. These rules require a one page summary of certain essential items. The items include the risk of investing in penny stocks in both public offerings and secondary marketing; terms important to in understanding of the function of the penny stock market, such as bid and offer quotes, a dealers spread and broker/dealer compensation; the broker/dealer compensation, the broker/dealers' duties to its customers, including the disclosures required by any other penny stock disclosure rules; the customers' rights and remedies in cases of fraud in penny stock transactions; and, FINRA's toll free telephone number and the central number of the North American Administrators Association, for information on the disciplinary history of broker/dealers and their associated persons.

Securities Authorized for Issuance under Equity Compensation Plans

We have no equity compensation plans and accordingly we have no shares authorized for issuance under an equity compensation plan.

ITEM 6: SELECTED FINANCIAL DATA

We are a smaller reporting company as defined by Rule 12b-2 of the Exchange Act and are not required to provide the information under this item.

ITEM 7: MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITIONS AND RESULTS OF OPERATION

This section of this annual report includes a number of forward-looking statements that reflect our current views with respect to future events and financial performance. Forward-looking statements are often identified by words like: believe, expect, estimate, anticipate, intend, project and similar expressions, or words which, by their nature, refer to future events. You should not place undue certainty on these forward-looking statements, which apply only as of the date of this report. These forward-looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from historical results or our predictions.

As of December 31, 2012, our auditors have issued a going concern opinion. This means that our auditors believe there is substantial doubt that we can continue as an on-going business for the next twelve months unless we obtain additional capital to pay our bills. Our only other source for cash at this time is investments by others in our company. We must raise cash to implement our project and begin our operations.

To meet our need for cash, we raised money from our public offering. At the present time, we have not made any arrangements to raise additional cash, other than through our public offering. If we need additional cash and cannot raise it we will either have to suspend operations until we do raise the cash, or cease operations entirely.

Since we raised less than the maximum amount, we may need more money we will have to revert to obtaining additional money as described above. Other than as described in this paragraph, we have no other financing plans.

Plan of Operation

The Company does not have an operating business and does not have revenue. The Company is in the process of identifying a business that can be combined with the Company and generate on going revenues. As of today the Company has not identified such a business or made any offer to acquire such a business. The Company will continue to seek the right business to acquire and or operate.

Limited operating history; need for additional capital

There is no historical financial information about us upon which to base an evaluation of our performance. We are in a start-up stage operations and have not generated any revenues. We cannot guarantee we will be successful in our business operations. Our business is subject to risks inherent in the establishment of a new business enterprise, including limited capital resources and possible cost overruns due to price and cost increases in services and products.

We have no assurance that future financing will be available to us on acceptable terms. If financing is not available on satisfactory terms, we may be unable to continue, develop or expand our operations. Equity financing could result in additional dilution to existing shareholders.

Results of operations

From Inception on December 18, 2009 to December 31, 2012

During the period we incorporated the company, hired the attorney, and hired the auditor for the preparation of our registration statement. We have prepared an internal business plan. We have reserved the domain name "skiwear4you.com". Our loss since inception is \$101,452 all of which is for legal fees, audit fees, filing fees and general office costs. We have not started our proposed business operations. We expected to begin operations 120 days after we complete our public offering, which would have been on or around April 20, 2012, however, as of the date of this report we have not begun operations and are not sure when we will.

For the twelve months ended December 31, 2012 as compared to December 31, 2011

During the year ended December 31, 2012, we had a loss of \$35,503 versus a loss of \$27,601 for the year ended December 31, 2011. The larger loss was due to increased legal expenses, audit and filing costs due to the change in control. Other than these expenses to execute our business plan, no other additional expenses were incurred during 2012.

Liquidity and capital resources

As of the date of this report, we have yet to generate any revenues from our business operations.

We issued 10,000,000 shares of common stock pursuant to the exemption from registration contained in Section 4(2) of the Securities Act of 1933. This was accounted for as a sale of common stock.

On December 20, 2010, we sold 1,500,000 common shares pursuant to our public offering and raised \$75,000.

As of December 31, 2012, our total assets were zero and our total liabilities were \$25,033. As of December 31, 2012, we had no cash and negative working capital of \$25,033.

ITEM 7A: QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We are a smaller reporting company as defined by Rule 12b-2 of the Exchange Act and are not required to provide the information under this item.

ITEM 8: FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

Financial statements are audited and included herein beginning on Exhibit 1, page 1 and are incorporated herein by this reference.

ITEM 9: CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

On May 3, 2012, Eastern World Solutions, Inc., (the “Company”) formally informed MaloneBailey, LLP of their dismissal as the Company’s independent registered public accounting firm.

The reports of MaloneBailey, LLP on the Company’s consolidated financial statements as of and for the fiscal years ended December 31, 2011 and 2010 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle except to indicate that there was substantial doubt about the Company’s ability to continue as a going concern.

During the fiscal years ended December 31, 2011 and 2010, and through May 3, 2012, there have been no disagreements with MaloneBailey, LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements if not resolved to the satisfaction of MaloneBailey, LLP would have caused them to make reference thereto in connection with their report on the financial statements for such years.

On May 3, 2012 the Company engaged Hein & Associates LLP as its new independent registered public accounting firm.

On July 10, 2012 we receive a letter from Hein & Associates, LLP in which they resigned as the Company’s independent registered public accounting firm.

Hein & Associates, LLP served as the Company’s independent registered public accounting firm from May 3, 2012 through July 10, 2012. There were no disagreements (as defined in Item 304 of Regulation S-K) with Hein & Associates on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Hein & Associates would have caused it to make reference in connection with its opinion to the subject matter of the disagreement.

We provided Hein & Associates with a copy of the above disclosures and requested that Hein & Associates provide us with a letter addressed to the Securities and Exchange Commission stating whether it agrees with such disclosures.

On August 2, 2012 our Board of Directors re-engaged MaloneBailey LLP, as its independent registered public accounting firm.

During the Company’s most recent fiscal year end and the interim periods preceding the engagement of MaloneBailey LLP, and through August 1, 2012 neither the Company nor anyone acting on our behalf, has consulted with MaloneBailey LLP regarding either: (i) the application of accounting principles to a specified transaction, either contemplated or proposed, (ii) the type of audit opinion that might be rendered on the Company’s financial statements, or (iii) any matter that was either the subject of a disagreement between the Company and Hein & Associates as described in Item 304(a)(1)(iv) of Regulation S-K or a reportable event as described in Item 304(a)(1)(v) of Regulation S-K.

ITEM 9A: CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

For purposes of this section, the term *disclosure controls and procedures* means controls and other procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Securities Exchange Act of 1934, as amended (the “Act”) (15 U.S.C. 78a et seq.) is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Act is accumulated and communicated to the issuer's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure. It should be noted that the design of any system of controls is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions, regardless of how remote. As of the end of the period covered by this Annual Report, The Company carried out an evaluation, under the supervision and with the participation of our Chief Executive Officer and our Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures. Based on this evaluation, our CEO and CFO has concluded that the Company's disclosure controls and procedures are not effective because of the identification of a material weakness in our internal control over financial reporting which is identified below, which The Company view as an integral part of our disclosure controls and procedures.

Changes in Internal Controls over Financial Reporting

The Company has not yet made any changes in our internal controls over financial reporting that occurred during the period covered by this report on Form 10-K that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

Management's Annual Report on Internal Control Over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as such term is defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act. Our internal control system was designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes, in accordance with generally accepted accounting principles. Because of inherent limitations, a system of internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate due to change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Our management conducted an evaluation of the effectiveness of our internal control over financial reporting using the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in Internal Control—Integrated Framework. Based on its evaluation, our management concluded that there are material weaknesses in our internal control over financial reporting. A material weakness is a deficiency, or a combination of control deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

The material weaknesses relate to the following:

- Lack of segregation of duties in financial reporting, as our financial reporting and all accounting functions are performed by our Chief Executive Officer. Our President does not possess accounting expertise and our company does not have an audit committee.
- Lack of a formal review process that includes multiple levels of review, as all accounting and financial reporting functions are performed by our Chief Financial Officer and the work is not reviewed by anyone.

These weaknesses are due to the company's lack of working capital to hire additional staff. To remedy the material weaknesses, we intend to engage another accountant to assist with financial reporting as soon as our finances will allow.

This annual report does not include an attestation report of the Company's registered public accounting firm regarding internal control over financial reporting. Management's report was not subject to the attestation by the Company's registered public accounting firm pursuant to temporary rules of the SEC that permit the Company to provide only management's report in this annual report.

Changes in Internal Controls

There were no changes in our internal control over financial reporting during the quarter ended December 31, 2012 that have affected, or are reasonably likely to affect, our internal control over financial reporting.

ITEM 9B: OTHER INFORMATION

None

PART III

ITEM 10: DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

Officers and director

Our officers and sole director will serve until their successor is elected and qualified. Our officers are elected by the board of directors to a term of one (1) year and serves until his or his successor is duly elected and qualified, or until he or she is removed from office. The board of directors has no nominating, auditing or compensation committees.

The names, addresses, ages and positions of our present officers and director are set forth below:

Name and Address	Age	Position(s)
Jared Robinson 3330 South Federal Highway #220 Boynton Beach, FL 77429	44	Principal Executive Officer, Treasurer, Principal Financial Officer, Principal Accounting Officer and Director
Neil Kleinman 3330 South Federal Highway #220 Boynton Beach, FL 77429		Secretary and Director

Jared Robinson - Chief Executive Officer - Chief Financial Officer, Director

Mr. Robinson has been an officer and director of the Company since June, 2012. In 2002 Jared Robinson founded and operated Alltests Florida, which subsequently was renamed Navicus, Inc. Navicus, which was a full service employment screening firm and provider of Talent Management Software for corporations throughout the world. It was acquired by Pinkerton in 2010. Mr. Robinson was one of the two managing partners of Navicus and oversaw the day to day operations and managed its 25 employees. Since the sale of the company to Pinkerton, Mr. Robinson acted as VP of Sales for Pinkerton until August of 2012. Prior to 2002 Mr. Robinson was VP of Operations for Greene's closed door pharmacy for 4 years. Greene's was a family owned operation that was eventually sold to American Pharmaceutical Services (APS). Greene's sold pre-packaged dispensing systems for prescription drugs to the assisted living community throughout south Florida.

Neil Kleinman – Secretary and Director

Mr. Kleinman has been Secretary and Director of the Company since June 2012. Neil Kleinman is the VP of Corporate Development for Webair Internet Development Corp ("Webair"). Neil's responsibilities include handling all corporate development and corporate finance related matters. Neil has worked in the financial industry for more than 19 years and provides critical and strategic thinking to management.

Prior to Webair, Neil served investment banking roles with Cresta Capital Strategies, New York and Sands Brothers Asset Management, Greenwich, CT, where he collaborated with management of publicly listed and privately held entities to obtain capital and provide strategic guidance on growth alternatives. He also served as Executive Vice President and Treasurer of Interfor, Inc. Interfor specializes in investigations for corporations, law firms and financial institutions. From September 2003 to November 2007, Neil held the role of origination and underwriting for Laurus Capital Management and worked with a distinguished deal team to originate, process, structure and close more than 300 transactions. During his tenure, he managed a variety of outside advisors, provided meaningful support to portfolio companies and the asset base grew from less than \$20 million to over \$2 billion. It was during this time that Laurus received the MarHedge Award for Best Niche Strategy/Innovative Category (2004) and Absolute Returns Alternative Investment Manager of the Year (2006).

Prior to Laurus, Neil was with Bloomberg, LP from March 2001 to August 2003, on the Chicago sales team. There he sold the Professional Service to a diverse community of buy-side and sell-side firms and worked with the treasury departments of Fortune 500 Illinois-based companies. He served as a Registered Representative for regional and wire house firms and was Principal of his own broker-dealers during the first ten years of his career and specialized in wealth management, defined contribution plans and underwritings.

Neil graduated from the Smeal College of Business, Pennsylvania State University with a Bachelor of Science in Accounting. He currently holds his FINRA Series 7, 63 and 79 licenses

Audit Committee

We do not have an audit committee.

Conflict of Interest

The Officer and Director of the Company will devote most of his time to the Company however; there will be occasions when the time requirements of the Company's business conflict with the demands of their other business and investment activities. Such conflicts may require that the Company attempt to employ additional personnel. There is no assurance that the services of such persons will be available or that they can be obtained upon terms favorable to the Company.

There is no procedure in place which would allow the Officer and Director to resolve potential conflicts in an arms-length fashion. Accordingly, they will be required to use their discretion to resolve them in a manner which they consider appropriate.

The Company's Officer and Director may actively negotiate or otherwise consent to the purchase of a portion of their common stock as a condition to, or in connection with, a proposed merger or acquisition transaction. It is anticipated that a substantial premium over the initial cost of such shares may be paid by the purchaser in conjunction with any sale of shares by the Company's Officer and Director which is made as a condition to, or in connection with, a proposed merger or acquisition transaction. The fact that a substantial premium may be paid to the Company's Officer and Director to acquire their shares creates a potential conflict of interest for them in satisfying their fiduciary duties to the Company and its other shareholders. Even though such a sale could result in a substantial profit to them, they would be legally required to make the decision based upon the best interests of the Company and the Company's other shareholders, rather than their own personal pecuniary benefit.

Code of Ethics

We have adopted a corporate code of ethics. We believe our code of ethics is reasonably designed to deter wrongdoing and promote honest and ethical conduct; provide full, fair, accurate, timely and understandable disclosure in public reports; comply with applicable laws; ensure prompt internal reporting of code violations; and provide accountability for adherence to the code. A copy of the code of ethics is filed as Exhibit 14.1 to our Form 10-K filed with the Securities and Exchange Commission on February 15, 2012.

Disclosure Committee and Charter

We have a disclosure committee and disclosure committee charter. Our disclosure committee is comprised of all of our officers and directors. The purpose of the committee is to provide assistance to the Chief Executive Officer and the Chief Financial Officer in fulfilling their responsibilities regarding the identification and disclosure of material information about us and the accuracy, completeness and timeliness of our financial reports. A copy of the disclosure committee charter is filed as Exhibit 99.3 to our Form 10-K filed with the Securities and Exchange Commission on February 15, 2012.

Section 16(a) of the Securities Exchange Act of 1934

All officer, directors and owners of 10% or more of our shares of common stock have filed all reports required by Section 16(a) of the Securities Exchange Act of 1934, as amended.

ITEM 11: EXECUTIVE COMPENSATION

The following table sets forth the compensation paid by us for the last three fiscal years ending December 31, 2012 for each of our officers. This information includes the dollar value of base salaries, bonus awards and number of stock options granted, and certain other compensation, if any. The compensation discussed addresses all compensation awarded to, earned by, or paid to our named executive officers.

Long-Term Incentive Plan Awards

We do not have any long-term incentive plans that provide compensation intended to serve as incentive for performance.

Indemnification

Under our Articles of Incorporation and Bylaws of the corporation, we may indemnify an officer or director who is made a party to any proceeding, including a lawsuit, because of his position, if he acted in good faith and in a manner he reasonably believed to be in our best interest. We may advance expenses incurred in defending a proceeding. To the extent that the officer or director is successful on the merits in a proceeding as to which he is to be indemnified, we must indemnify him against all expenses incurred, including attorney's fees. With respect to a derivative action, indemnity may be made only for expenses actually and reasonably incurred in defending the proceeding, and if the officer or director is judged liable, only by a court order. The indemnification is intended to be to the fullest extent permitted by the laws of the State of Nevada.

Regarding indemnification for liabilities arising under the Securities Act of 1933, which may be permitted to directors or officers under Nevada law, we are informed that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy, as expressed in the Act and is, therefore, unenforceable.

ITEM 12: SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS.

The following table sets forth, as of the date of this report, the total number of shares owned beneficially by our directors, officers and key employees, individually and as a group, and the present owners of 5% or more of our total outstanding shares. The table also reflects what their ownership will be assuming completion of the sale of all shares in this offering. The stockholders listed below have direct ownership of their shares and possesses sole voting and dispositive power with respect to the shares.

Description of Securities

As of April 12, 2013 our authorized capital consists of 100,000,000 shares of common stock, par value \$0.00001 per share, of which 11,500,000 shares are issued and outstanding and 100,000,000 shares of preferred stock with a par value of \$0.00001 of which none are outstanding.

The holders of our common stock are entitled to receive dividends as may be declared by our Board of Directors; are entitled to share ratably in all of our assets available for distribution upon winding up of the affairs our Company; and are entitled to one non-cumulative vote per share on all matters on which shareholders may vote at all meetings of the shareholders.

The shareholders are not entitled to preference as to dividends or interest; preemptive rights to purchase in new issues of shares; preference upon liquidation; or any other special rights or preferences.

Non-Cumulative Voting

The holders of our shares of common stock do not have cumulative voting rights, which means that the holders of more than 50% of such outstanding shares, voting for the election of Directors, can elect all of the Directors to be elected, if they so choose. In such event, the holders of the remaining shares will not be able to elect any of our Directors.

Dividend Policy

As of the date of this Form 10-K, we have not paid any cash dividends to stockholders. The declaration of any future cash dividends will be at the discretion of our Director and will depend on our earnings, if any, capital requirements and financial position, general economic conditions and other pertinent conditions. It is our present intention not to pay any cash dividends in the near future.

ITEM 13: CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE.

On June 19, 2012 the Company had a change in control in which new officers and directors were appointed and the previous officers and directors resigned. As part of the change the two new officers and directors each received 4,303,125 shares of common stock from the former officers and directors. The Company did not issue any additional shares as part of the transaction.

During the year ended December 31, 2012 one of the officers advanced the Company \$3,926 to pay outstanding obligations of the Company.

ITEM 14: PRINCIPAL ACCOUNTANT FEES AND SERVICES.

The following table presents for each of the last two fiscal years the aggregate fees billed in connection with the audits of our financial statements and other professional services rendered by our independent registered public accounting firm MaloneBailey, LLP, Certified Public Accountants and Consultants.

	<u>2012</u>	<u>2011</u>
Audit fees	\$ 7,200	9,100
Audit related fees	-	-
Tax fees	-	-
All other fees	-	-

Audit fees consist of fees billed for professional services rendered for the audit of our financial statements and review of the interim financial statements included in quarterly reports and services that are normally provided by the above auditors in connection with statutory and regulatory filings or engagements

In the absence of a formal audit committee, the full Board of Directors pre-approves all audit and non-audit services to be performed by the independent registered public accounting firm in accordance with the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended. The Board of Directors pre-approved 100% of the audit, audit-related and tax services performed by the independent registered public accounting firm for the fiscal year ended December 31, 2012.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To The Board of Directors of
Eastern World Solutions, Inc.
(A Development Stage Company)
Boynton Beach, Florida

We have audited the accompanying balance sheets of Eastern World Solutions, Inc. (a development stage company) (the "Company") as of December 31, 2012 and December 31, 2011 and the related statements of expenses, changes in shareholder's deficit, and cash flows for the years then ended and the period from December 18, 2009 (inception) through December 31, 2012. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform an audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2012 and 2011 and the results of its operations and its cash flows for the years then ended and the period from December 18, 2009 (inception) through December 31, 2012, in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the financial statements, the Company suffered continued losses from operations, which raises substantial doubt about its ability to continue as a going concern. Management's plans regarding those matters also are described in Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

EASTERN WORLD SOLUTIONS, INC.
(A DEVELOPMENT STAGE COMPANY)
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – BASIS OF PRESENTATION AND DESCRIPTION OF BUSINESS

The accompanying unaudited consolidated financial statements include the accounts of Eastern World Group, Inc. ("Eastern World") and its wholly owned subsidiaries. These financial statements have been prepared in accordance with United States ("U.S.") generally accepted accounting principles ("GAAP") for interim financial information using the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, these financial statements do not include all of the information and footnote disclosures required by U.S. GAAP and should be read in conjunction with the financial statements and the summary of significant accounting policies and notes thereto included in our Annual Report on Form 10-K for the year ended December 31, 2011. References to "Eastern World" the "Company," "we," "us," "our" and "ours" refer to Eastern World Group, Inc.

Eastern World Group, Inc. is an early stage company and was organized to engage in creating, marketing and selling of proprietary engagement marketing technologies and or acquiring complementary technologies and or other companies focused on the development and marketing of such technologies.

The Company was incorporated in Nevada on December 18, 2009 under the name Eastern World Group, Inc. The founding management group and Board of Directors planned to develop a website (www.skiwear4you.com) that would offer skiwear at retail prices to customers ordering online.

By February of 2012, other than reserving the domain name, founding management had not commenced development of a website nor advanced the business plan past the conceptual stage. After further consideration, the founding Board of Directors, management group, and shareholders determined that its business plan was not feasible and decided to suspend operations. Consequently, the Board of Directors decided to seek out a purchaser for the business.

On March 27, 2012, majority ownership of the Company was sold to another group and on April 16, 2012 a merger with a private company was announced. Actual control of the private company was never consummated and on June 19, 2012, another change of control occurred and the new officers and directors of the Company resigned and were replaced by different officers and directors. The new officers are in the process of developing a business plan to further the value of the Company. Such a plan includes the seeking out and acquiring a business that would affectively combine with the Company and provide the revenue necessary to continue operations.

NOTE 2 – GOING CONCERN

The Company has incurred reoccurring losses from inception of \$101,452. These conditions raise substantial doubt as to the Company's ability to continue as a going concern. The financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

NOTE 3 – SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. While it is believed that such estimates are reasonable, actual results could differ significantly from those estimates.

Reclassifications

Certain reclassifications have been made to the prior years' financial statements to conform to the current year presentation. These reclassifications had no effect on previously reported results of operations or retained earnings.

Cash and Cash Equivalents

The Company considers all highly liquid investments and short-term debt instruments with original maturities of three months or less to be cash equivalents.

Loss per Share

Basic and diluted net loss per share calculations are presented in accordance with ASC 260 and are calculated on the basis of the weighted average number of common shares outstanding during the year. They include the dilutive effect of common stock equivalents in years with net income. Basic and diluted loss per share is the same due to the absence of common stock equivalents.

Income Taxes

The Company recognizes deferred tax assets and liabilities based on differences between the financial reporting and tax bases of assets and liabilities using the enacted tax rates and laws that are expected to be in effect when the differences are expected to be recovered. The Company provides a valuation allowance for deferred tax assets for which it does not consider realization of such assets to be more likely than not.

Accounting Pronouncements

The Company does not believe the adoption of recently issued accounting pronouncements will have an impact on The Company's financial position, results of operations, or cash flows.

NOTE 4 – RELATED PARTY TRANSACTIONS

On June 19, 2012 the Company had a change in control in which new officers and directors were appointed and the previous officers and directors resigned. As part of the change the two new officers and directors each received 4,303,125 shares of common stock from the former officers and directors. The Company did not issue any additional shares as part of the transaction.

During 2012, one of the officers advanced the Company \$3,296 to pay outstanding obligations of the Company. This amount is unsecured, non-interest bearing, and due on demand.

NOTE 5 – ADVANCES

During 2012, the Company received \$15,079 in advances from unrelated parties. This amount is unsecured, non-interest bearing, and due on demand.

NOTE 6 – INCOME TAX

Potential benefits of income tax losses are not recognized in the accounts until realization is more likely than not. The Company has incurred a net operating loss of \$101,453 from inception through December 31, 2012 which expires in 2030. The Company has adopted ASC 740, "Accounting for Income Taxes", as of its inception. Pursuant to ASC 740, the Company is required to compute tax asset benefits for non-capital losses carried forward. The potential benefit of the net operating loss has not been recognized in these financial statements because the Company cannot be assured it is more likely than not it will utilize the loss carried forward in future years.

Significant components of Company's deferred tax assets liabilities after applying enact corporate income tax rates, are as follows as of:

	December 31, 2012	December 31, 2011
Deferred income tax asset	\$ —	\$ —
Net operating loss carry forward	15,218	9,892
Valuation allowance	(15,218)	(9,892)
Net deferred income tax asset	<u>\$ —</u>	<u>\$ —</u>
